Box Petitions

Dear Sir:

1. This is a petition to accord the correspondence (New Application Transmittal) in the above-identified patent application the "date-in" of **11-9-01** shown on **Express Mail Label No. EL 852685943 US**.

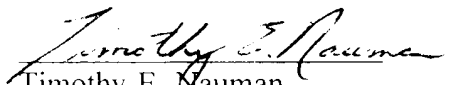

It is respectfully contended that the filing date of 01/09/2002 accorded to this application by the PTO is incorrect.

2. Submitted herewith is the statement of Timothy E. Nauman as to when the discrepancy was discovered and establishing that the petition is being filed promptly thereafter. 37 C.F.R. §1.10(c)(1).
3. Attached is a true copy of the first page of the correspondence (New Application Transmittal) which was filed, showing both the date on which this correspondence was mailed as **Express Mail Label No. EL 852685943 US** and that the number of the Express Mail was placed thereon prior to mailing. 37 C.F.R. §1.10(c)(2).

4. Attached is a true copy of the **Express Mail Label No. EL 852685943** US mailing showing the "date-in" of **November 9, 2001**. 37 C.F.R. §1.10(c)(3).
5. The petition fee (37 C.F.R. §1.17(h)- \$130.00) is paid as a check attached hereto. It is respectfully requested that the petition fee should be refunded if this petition is granted since the delay resulted from no fault of the applicant.

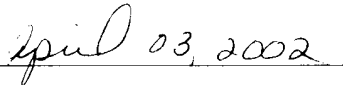

Charge any additional fees required by this paper or credit any overpayment in this matter to Deposit Account No. 06-0308.

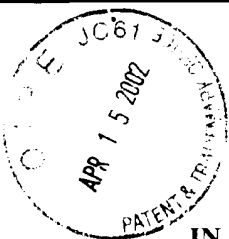

Respectfully submitted,
FAY, SHARPE, FAGAN,
MINNICH & McKEE, LLP

Dear Sir:

1. The discrepancy between the U.S. Patent Office date of receipt for filing the captioned application and the date of mailing the application by Express Mail was discovered upon receipt of the Filing Receipt and the Notice to File Missing Parts of Nonprovisional Application.
2. This petition is being filed promptly after determining that the U.S. Patent Office had issued no specific communications regarding delay in Express Mail deliveries due to Post Office procedures after September 11, 2002. A copy of the U.S. Postal Service "Shipment History" indicates that although the application has an "Acceptance" date of November 09, 2001 (7:01pm) in Cleveland, Ohio, the "Arrival at Unit" in Washington, D.C. 20066 date is January 12, 2002, and the item was "delivered at 7:34 am on January 14, 2002 in Washington D.C. 20231."

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
